COVID-19
Health and Safety Measures

We are delighted to be back at Alliance Française Abu Dhabi and to resume our language courses and activities during this global pandemic!

The learning will still be the same but your safety remains our priority. Discover below our measures to protect our students, staff and community. #StaySafe
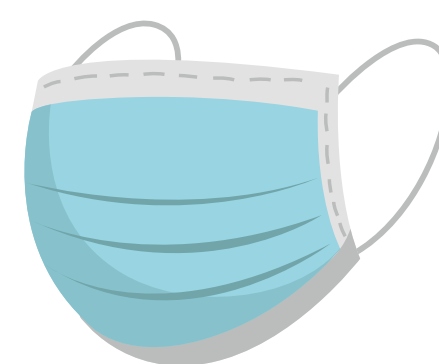

**1** The Green Pass must be presented at the entrance of Alliance Française.

2 Temperature check upon arrival, sanitize your hands and wear your face mask all the time.

3 Maintain physical distancing (at least 2 meters distance).

**4** Our staff and teaching team are tested regularly and our premises are disinfected.

COVID-19
Health and Safety Measures

5 During courses or activities, parents can only wait in our outside area.

6 Keep in touch with us regarding your health.

It is your responsibility to notify our administration as soon as possible and to isolate yourself or your child in following cases:

- Covid-19 symptoms (cough, fever, cold, etc...)
- Contact with a Covid-19 positive case
- Positive PCR test to Covid-19

7 A student affected must present a negative PCR test received within 48 hours before returning to the Alliance Française.
